## Curriculum

Siffrin Academy's curriculum is comprised of volunteer experiences, community outings, self-advocacy meetings, and in-class work. We offer college and career readiness through soft skills, computer skills, book club, money skills, and self-exploration and discovery.

## Who are we?

Siffrin Academy is a adult vocational habilitation, created in collaboration with **Kent State University**. We are vocational, leadership, and academic focused. Our self-paced program allows young adults to obtain the skills necessary to accomplish their employment goals!

## Outcomes

Our program is designed for you to accomplish your career goals and dreams. Our outcomes include...

**OOD Referral**  
Vocational Program  
**Employment**

**College Acceptance**  
College Certificate  
**Internship**

*Or start your own business!*
